

Alternatives to Layoffs **Workshop for Employers**

If you are a business owner or manager you are invited to an information session about alternatives to laying off employees. The event is presented by Alberta Employment and Immigration (AE&I) in partnership with McBride Career Group.

The workshop features AE&I Business and Industry Liaison staff presenting information on strategies and alternatives to lay offs, as well as information about the government services and resources available to help employers and staff make the transition when lay offs cannot be avoided. Other topics that will be discussed include how businesses can improve their bottom line and information about being an employer of choice.
